STOPPED BEAT HIS WIFE
Improvements in Columbus Till Law Is Tested.
 Columbus, O., June 28.—The City Council of Columbus last night decided to pass no more important ordinances nor to issue bonds until the matter of the validity of the city charter is settled one way or the other. A committee was appointed to take charge of the erection of the new municipal lighting plant pending a decision as to the eligibility of the director of public improvements to continue in office and all pending bond issues for public improvements were held up for the same reason.
 The action of the Council practically puts an end to all public improvements in Columbus until a settled form of government is established.

Interesting to Asthma Sufferers.
 Daniel Bante, of Otterville, Iowa, writes: "I have had asthma for three or four years and have tried about all the cough and asthma cures on the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar, which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." J. M. Laffer, J. Lamparter & Co., A. Warner.
